

**STINSON BEACH HISTORICAL SOCIETY  
BOARD MEETING MARCH 17, 2015**

PRESENT: Mark White, Tamae Agnoli, Jane Slack, Georgia Heid, Phyllis Fitzpatrick, Celeste Washington, Katie Broomhead, David Conrad, Susan Kelley, Toby Bisson, Gerry Bisson, Grey Shepard, Barrie Stebbings.

**FALL ROCKIN' STINSON EVENT**

- Date for the event will be either September 12 or 26, depending on availability of “guests.”
  - Toby has spoken with Chris Rowan who responded enthusiastically. Marcus will contact Pablo Cruise and Commander Cody. Susan will speak with Mountain Girl and Frankie about archival material.
  - Toby suggested that we have a photo/chronological timeline display, and casual format that might include a microphone with guests sitting on chairs or stools on stage while they spin their stories followed by a meet and greet and/or musical performance. Additional ideas included a looped slide show, perhaps some video, and music on tape/CD.
  - KT volunteered to provide appetizers, and to be the chef if we decide to grill burgers. Toby will contact Lagunitas Brewery about a donation. Marcus will pick up a couple cases of water.
  - The event could start at 5:00 pm with mingling and snacking and the “show” commence at 7:00. Admission could be by donation but free to members. Free food with a no-host bar.
- Everyone will be gathering archival materials and KT volunteered Peter to write descriptive materials.

**CUISINE ON THE GREEN**

- Saturday, May 9. SBHS will make and sell brownies only and bottled water. KT will have an adjacent table serving crepes and savory tarts. She offered to split her profits with SBHS. David agreed to donate some jars of his homemade jams. We will also have books, cards and aprons for sale.

**HISTORICAL CORNER EXHIBIT AT LIBRARY**

- Because so many of the envelopes delivered to the SB Post Office requesting tickets to the final Grateful Dead concert were highly artistic, the idea of an SBHS exhibit at the Library arose. How to present them remains problematic, as well as dealing with the security concerns of Frankie who owns them. These issues were discussed without coming to any resolution.
- Tamae asked for clarification on SBHS policy regarding requests for photos from individuals and other non-profits, i.e., who pays and who can receive them free of charge. We concluded that there would be a \$25 charge for all hi-res photos but we would waive the fee for other non-profit organizations.

**NEXT MEETING**

Tuesday, Mid-May  
at the Church
